Feedback Action Taken Report

Feedback was collected from the stakeholders at the end of the year for both semesters and discussed about the performances. The Principal, IQAC Co-coordinator and concerned faculty members monitored and evaluated its performance quality of curriculum related issues.

There aren't genuine cases found. Moreover being well established Teaching-Learning and all other facilities provided seemed contented. Few of the suggestions are brought out to improve and upgrade the present system.

Yes

We did not complete our syllabus as we had only 1 chapter remaining chapters are well studied. We spent less time on the class as we had to finish the syllabus.

Give more time to students questions to understand them before jumping
